**TOWN WARRANT**  
**THE STATE OF NEW HAMPSHIRE**

To the Inhabitants of the Town of Hollis in the County of Hillsborough in said State, qualified to vote in Town affairs:

You are hereby notified to meet at the Town Hall in said Hollis on Tuesday, the seventh day of March next at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary town officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
3. To hear the reports of the Selectmen and other town officers and committees.
4. To see if the town will vote to authorize the Selectmen to borrow money in anticipation of taxes.
5. To see if the town will vote to accept State Aid for the construction of Class V roads and appropriate the sum of \$1,277.77 to pay the town's share.
6. To see if the town will vote to allow withdrawal of all funds from the cruiser capital reserve fund.
7. To see if the town will authorize the Selectmen to expend the funds from the cruiser capital reserve fund towards the purchase of a cruiser.
8. To see if the town will vote to raise and appropriate the sum of \$4,000. to be placed in the capital reserve funds to be used towards the purchase of a fire truck.
9. To see if the town will vote to raise and appropriate the sum of \$500.00 to be placed in the capital reserve funds of the town's shed.
10. To see if the town will vote to raise and appropriate the sum of \$1,000. to be placed in the capital reserve funds of the fire house.
11. To see if the town will vote to raise and appropriate the sum of \$500.00 to be placed in the capital reserve funds to be used to provide more adequate Selectmen's office.
12. To see if the town will vote to raise and appropriate the sum of \$1,500.00 to be placed in the capital reserve funds to be used towards the purchase of a police cruiser.

13. To see if the town will vote to raise and appropriate the sum of \$2,000.00 to be placed in the capital reserve funds to be used towards the purchase of a grader.

14. To see if the town will vote to authorize the tax collector to accept prepayment of taxes in multiples of \$10.00.

15. To see if the town will vote to raise and appropriate the sum of \$25.00 to be expended in cooperation with the New Hampshire Forestry and Recreation Commission for forest fire roads.

16. To see if the town will vote to raise and appropriate the sum of \$1,500.00 to be given to the Merrimack Valley Home Health Care Association, Inc.

17. To see if the town will vote to raise and appropriate the sum of \$500.00 to be given to the Community Council in Nashua.

18. To take the sense of the qualified voters whether the amendments of the Constitution proposed by the 1971 session of General Court shall be approved.

19. To see if the voters will approve the designation of Richardson and Van Dyke Roads as scenic roads as defined by State Law.

20. To see if the voters will approve the designation of Federal Hill Road as a scenic road as defined by State law.

21. To see if the town will vote to increase the size of the Planning Board from present five members to seven members.

22. To see if the town will vote to reopen the discontinued section of Pound Road as an authorized town road to run westerly from Silver Lake Road towards Rocky Pond Road, approximately 500 yards.

The Polls will not close before 7:00 p.m.

Given under our hands and seal in this 15th day of February in the year of our Lord nineteen hundred and seventy-two.

Ralph J. Hardy  
Frank Whittemore  
Richard Walker  
Selectmen of Hollis

A true copy of Warrant — Attest:

## POLICE DEPARTMENT REPORT

The past year has seen many significant changes in the Police Department of the Town of Hollis. With the changes of the past year, new and previously unrecognized problems have been uncovered, and new methodologies have been formulated to deal with such difficulties.

Every year brings an increase in the number of crimes perpetrated and the number of complaints and reports received by the police department. With increases in reporting, greater care is required of the police officers in reporting, investigating and filing complaints so that they might be retained in the proper manner and allow easy retrieval. A new and more comprehensive filing system has been added to the department for this reason, and it is making a significant difference in the efficiency of the department.

The department sought and received federal funds from several sources for the purchase of a police radio and the promulgation of a police cadet program; these programs were accomplished without any additional cost to the taxpayers of the Town of Hollis. It is anticipated that the new year will bring more federal programs to Hollis.

The officers of the Hollis Police Department have undergone extensive training in a multitude of programs dealing with general law enforcement as well as specialty training.

As far as priorities are concerned, the police department has recognized that adequate protection to and service for the community requires additional personnel. Two men cannot undertake to accomplish all the duties encumbant on the police agency in a town the size of Hollis: more specifically, two men cannot even attempt to carry out duties as comprehensive as are currently demanded. A recent survey conducted by the New Hampshire Chiefs of Police Association indicated that the town should look forward to acquiring five men and two cruisers to meet current needs.

The Hollis Police Association was also formed to deal with matters relating to community betterment and safety in the Town of Hollis. It is hoped that the community will actively support the activities of the association so that the town may realize the benefits to the young people.

It is thought that the Town of Hollis has taken a big step forward in its police department in the past two years. It is further anticipated that the next year will bring significant dividends to the citizens of Hollis who have thought enough about their security to provide themselves with progressive law enforcement.

Respectfully

Robert P.J. Goulette  
Chief of Police

### 1971 POLICE WORK LOAD

The following complaints were made to the Hollis Police Department from January 1, 1971 to December 31, 1971:

## CIVIL DEFENSE REPORT

Thankfully, Civil Defense was not called out during the year for any major natural (or unnatural) disasters. However, it is rewarding to notice the excellent community support we enjoy during normal emergencies. For example, a large area power failure on Christmas morning resulted in immediate call-out of Public Service emergency crews and power was restored in just over an hour.

The paperwork never ceases but close and friendly liaison has been maintained with the State Civil Defense officials at Concord, to include attendance at a major Civil Defense Conference at Bedford, N. H. in December sponsored by the First United States Army and the University of N.H.

Regretably Federal and State surplus property has been very limited during the year but we did manage to acquire some hose sections and connectors for the Fire Department.

We continue to enjoy excellent coordination with the Selectmen and the Fire and Police Departments.

Lincoln F. Brigham  
Director

## **FIRE CHIEF'S REPORT**

The Hollis Fire Department answered 76 calls requiring department attention although the red phone was answered 1,082 times. There were 494 radio messages logged during equipment use.

As in previous years, the greatest number of responses were First Aid, and Rescue Calls with 26. Five building fires occurred, probable causes being: over-fused wiring, misuse of cleaning products, smoking material, use of flammable liquid and defective appliances.

Four wood fires were caused by careless construction crews and children with matches. Also one dumping and lighting of trash. The remaining calls were 5 car, truck or tractor fires; 8 smoke checks, 3 power line shorts, 4 burning without permits, 3 electrical wiring, 1 chimney, 4 gasoline washes, 1 lightning strike, 1 fire caused from a fireplace, 2 defective alarm system checks, 2 lost persons and 2 kitchen stove fires. Mutual aid was given 4 and received 4 times.

We are proud of the fact that fire calls are being held to a minimum, even though the town is growing rapidly. Many factors have made this true. 1. Our prevention literature, school poster contest, and visits to the nursery, kindergartens and elementary classes. 2. Our continual inspections of public buildings, halls and businesses. 3. Our Junior Firemens' extinguisher program which save the department five problems in 1971. 4. Your fire safe living habits in your home.

Two problems confront our growing community — finding you during your emergency and mustering up enough trained men during major weekday building fires. We could find you in minimum time if you would use and post your house number somewhere visible from the road coming from the center to town. House number information is available by calling 2253. The use of paging receivers could solve some of our weekday manpower shortage. It would also help if more men who are in town weekdays, would volunteer their time for training and fires.

Richard Navaroli  
Chief

## **REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF**

### **LEST WE FORGET — IT CAN HAPPEN HERE**

Disastrous forest and brush fires that destroy hundreds of homes are more prevalent on the west coast with their dry seasons and strong dry hot winds but 25 years ago this fall is the anniversary of a disaster that devastated large areas of northern New England leaving villages in ashes with rows of cellarholes and chimneys in a number of summer vacation home locations. Many lives were lost on that destructive day of October 23, 1947 nothing could stop the wind driven flames.

It is true that such conditions are unusual for New Hampshire but they happened once, they can happen again. The fuel for fires is all around us. All it takes is a firebrand. Only by cultivating a habit of carefulness with fire at all times can we meet the challenge of protection when dry conditions prevail. Please let these reminders be your guide:

1. Never, either when walking, riding or driving, discard a firebrand — a lighted match or a glowing cigarette.

2. Always obtain a permit for any outside burning. The burning of household rubbish is not permitted if your town has rubbish collection. Burning of grass or garden litter can be dangerous. See your warden first.

3. If you camp or picnic, be sure open fires are allowed and if they are, put them DEAD OUT when leaving.

4. **MOST IMPORTANT** — Instruct your children in the danger of the lighted match. A lighted match and dry grass or forest litter is a dangerous combination which leads to destructive loss and can lead to tragedy.

The past year 1971 was a favorable year for the control of fires. There were too many fire starts in some towns. We thank those who remembered and ask others to heed Smokey's message.

Number of fires reported and acres burned — 1971 season:

STATE — 463 fires — 160 acres

DISTRICT — 82 fires — 27¼ acres

2 R.R. fires — ¼ acre

TOWN OF HOLLIS — 4 fires — ¾ acre

Incinerator Permits Issued in Hollis — 79

Outdoor burning permits Issued in Hollis — 122

Burning with permits — 4

Winthrop H. Hannaford  
District Fire Chief  
Richard Navaroli  
Forest Fire Warden

## REPORT OF THE TOWN FOREST COMMITTEE, 1971

What is the town forest worth? It is merely backland visited occasionally by recreationists, or are there other uses including the generation of revenues for the town?

Since 1952 the town has realized a net profit of \$4,000 from the sale of logs, lumber and related products. During the same period some \$6,000 worth of improvement work in the form of multi-purpose roads and trails and non-commercial timber stand improvement (weeding, releasing and pruning) has been done. All of these costs were paid for from the sale of forest products and Federal cost-sharing.

The wages paid for labor, particularly on the TSI work, are quite interesting in retrospect. They have provided supplemental income to college students, one of whom the town forest helped obtain a Master of Science in Forestry degree, and created an awareness in forestry and natural resources in others.

As a part of the continuing timber stand improvement work a commercial thinning of white pine was made this past autumn. Due to scheduling problems these logs have not yet been sawed into lumber.

Members of the committee have led several field trips through the forest. The most important perhaps being the first New Hampshire Conservation Caravan who toured the forest as an example of wise land use and forestry practices. This group toured the forest via commercial bus, a demonstration of the quality of our forest road system.

Work is presently underway by Mr. and Mrs. Fred Gemmill on resurveying the property lines of the various parcels of land in the forest.

A formal management plan for the forest is being developed by the committee members as time becomes available. This management plan is based on the soil map prepared for the Town by the Soil Conservation Service in 1970. Additional information on forest types, age classes and special use areas are being added to give a permanent record of past management and to be used for future management activities of this valuable town resource.

Also, the committee has provided inputs concerning land use to the comprehensive town plan. We are attending monthly meetings of the Land Use Committee of the Nashua Regional Planning Council.

Respectfully submitted,

Kurt N. Olson for the  
Town Forestry Committee

## HOLLIS HEALTH OFFICER'S REPORT

Numerous complaints were answered this year as has been in the past years. Many of these complaints were levied against our friendly farmers who are under certain ecology stresses.

One of our problems is with the non-commercial fertilizer which is of great importance to the farmer. I honestly believe that the farmers in our community do the best they can in trying not to create problems in handling non-commercial fertilizers but sometimes the elements do not cooperate with our farmers' plans.

Hollis is faced with a very serious problem which will no doubt be a very expensive one before it is solved. The problem in question is our dump. Come the year 1974, we will no longer be able to operate our present dump. The solution is a very simple one on the surface but if you start digging into it, you will soon realize great problems.

Where in the Town of Hollis would we locate a sanitary land-fill dump? What will be our cost of purchasing a bulldozer of a size capable of handling our needs; A sanitary land-fill dump is undoubtedly our first choice. Our second choice would be a commercial incinerator capable of handling our present and future needs. Thirdly; we might have a choice of an area incinerator where the Town of Hollis would have to truck the rubbish if the incinerator was not located in Hollis.

Again this year, I must stress to those property owners, whose wells are of a dug type and near a salted highway, that they have their water analyzed periodically for possible contamination.

Robert F. Sundstrom  
Hollis Health Officer

## RECREATION COMMISSION REPORT

Volunteer leaders have continued to provide good quality recreation programs for children and adults; these include Saturday morning basketball instruction, grades 5-8; Babe Ruth and Little League, 4 major and 2 minor teams.

Other programs arranged by the Commission were baton lessons, swim lessons, ski lessons, co-rec volleyball, and a winter sports equipment sale.

The summer outdoor basketball league started with a professionally conducted clinic and was expanded under the direction of David Cook to include two divisions and an all-star team. Benefit games and donations from Brookline and Hollis citizens financed this program.

Ground has been broken for the quarter mile track on Depot Road and will be completed in the spring. The Fire Department is maintaining Hildreth's pond on Broad Street for ice skating.

Gerald Wilkins, Chairman  
Donald Spence  
David Jeynes  
Everdean Hills, Treasurer  
Janet Pitman, Secretary

## HOLLIS CONSERVATION COMMISSION

### 1971 Progress Report

During 1971, the Conservation Commission gratefully received from Henry Hildreth the gift of a nine acre tract of land near Muddy Brook.

The Commission is now in the process of acquiring about thirty acres of land which will be a direct extension of the existing greenbelt area. Preservation of this land in its present state will insure wetland protection and will also provide an outdoor laboratory for Hollis school children. We have applied for matching federal funds for the purchase price as provided by Article 20 of last year's Town Warrant.

The Commission also took an active part in providing land use inputs for the Comprehensive Town Plan approved by the town last summer.

The Commission has joined the State Association of Conservation Commissions formed this year. Jeffrey Smith was made a director of the State Association for a two year term.

During the year the Commission held a joint meeting with the Brookline Conservation Commission, attended the first two meetings of the Nashua Conservation Commission, and has sent representatives to the Nashua Regional Planning Commission meetings.

The Commission has also attended the Nashua River Watershed Association meetings and has followed developments in the campaign to clean up the Nashua River, as well as making efforts to implement the Nashua River Greenway Plan.

Mildred Moody, third grade teacher at the elementary school, accepted an appointment with the Commission as our educational adviser and has been very helpful in planning nature study field trips in the elementary school.

During the year Beaver Brook nature trails have been the center for field studies for the Hollis school children and the general public. Last summer, volunteer high school students were trained in nature study at Beaver Brook by Kurt Olson and Jeffrey Smith. The students were then used as assistant guides during the elementary school field trips held this fall.

Implementing the Commission's policy of promoting interest in conservation among the youth, Kurt Olson has been teaching conservation in both schools and Jeffrey Smith has assisted the fifth and sixth grades in laying out a self-guiding nature trail in back of the elementary school.

The Commission also supported the fifth and sixth grades' successful sponsorship of the 5th Annual Clean-Up Day in Hollis.

**SUGGESTIONS FROM THE HOLLIS PLANNING BOARD  
FOR**

**BUILDING IN HOLLIS**

January 1, 1972

**REFERENCES:**

Available from Selectmen's Office or Planning Board Members

**ZONING ORDINANCE** Amended June 22, 1971

**LAND SUBDIVISION (and Division) REGULATIONS** November 5, 1971

**BUILDING REGULATIONS** June 22, 1971

**WHAT IS REQUIRED?**

1. Plot Plan — Drawn in ink on suitable reproducible tracing material other than paper. Tracing for Deed Registry, 3 prints for Planning Board. Sizes 8½ x 11, 11 x 17, 17 x 22, 22 x 34 inches. Drawn by registered surveyor in accordance with Zoning and Subdivision Regulations.

2. Topography Plot — Same as Plot Plan, for state review and approval.

3. Percolation Test Data — By registered professional engineer, surveyor, soil scientist or qualified person, for state determination of soil capability to support septic systems.

**PROCEDURE FOR OBTAINING BUILDING PERMIT**

1. Request approval from the: State Water Supply and Pollution Control Board, Prescott Park, P.O. Box 95, Loudon Road, Concord, N.H. 03301, Attn: Mr. Russell Eckloff.

Two (2) copies of Plot Plan, Topography Plot, and Percolation Test Data are required.

2. Request Plot Plan approval in writing from the Hollis Planning Board, and furnish three (3) copies of plot plan. Approval is required before Land Transfer deed registry. If property is a lot of record it is suggested that the building and plot plans be reviewed with the Building Inspector and/or the Planning Board.

3. With above approvals, request a Building Permit from the Building Inspector. One copy of a sketch of the proposed building is required for the Inspector; two (2) copies of plot plan are required, one for the Inspector, and one to be filed with the Planning Board.

## PLANNING BOARD REPORT

The first year of the Comprehensive Plan effort with Environmental Consulting Group, Inc. was completed in June 1971. The Plan has been successful, and has been utilized extensively by many organizations in the town.

Public hearings were held in May and June 1971, resulting in major revisions to the Zoning Ordinance effective June 22, 1971. Additionally, as a direct result of the Plan an Historic District was proposed and approved, and an Historic Commission formed.

No subdivisions were approved in 1971; preliminary approval was given for Section 3 of Laurel Hill Subdivision which creates Fox Den Road. Assistance was provided to several owners and groups to resolve individual problems of a varied nature.

A public hearing was held in October 1971, resulting in a revised Land Subdivision Regulation effective November 5, 1971. The major change was the addition of Land Division to the Regulations.

The Planning Board with other town organizations was host to Environmental Caravan in November 1971.

Immediate effort for 1972 will consist of preparing a standard procedure condensation of the Zoning Ordinance, Land Subdivision Regulations, and Building Regulations for use by prospective buyers and/or builders. The next major project will be planning for solid waste disposal to supercede the present town dump. Also in progress is a tax map, which must be completed in accordance with state law by 1980; this effort is being provided by the generous efforts of Austin Chandler and Fred Gemmill.

Meetings for 1972 will be held on the 3rd Monday of each month in the Town Hall, starting at 7:30 p.m. All meetings are open to the public. The board recommends any person concerned with major changes in land use to review his plans with the board.

Howard Hunt, Chairman  
Elwin Hardy  
John Quick, Secretary  
Christine Trow  
Richard Walker

John Quick and Roger Saunders are members of the Nashua Regional Planning Commission.

## NASHUA REGIONAL PLANNING COMMISSION

### Background

Many of the environmental and development problems facing the communities of New Hampshire do not stop at city and town boundaries. Recognizing that a solution to such areawide problems as air and water pollution, traffic flows, solid waste disposal, etc. can only be solved on a cooperative basis, the State of New Hampshire divided the State into 17 districts for the purposes of regional planning. The districts were determined on the basis of commonality of interests and the degree of inter-community relationships.

Formed in 1969, the Nashua Regional Planning Commission which includes 13 towns, was established to prepare a regional development plan for member communities and to provide advisory assistance to local governments and agencies. At the present time all but two towns, Mason and Mont Vernon, have elected to join the Commission. While the Commission members were organizing the commission, arranging for a federal planning assistance grant and searching for staff planners, the membership assessment to towns was \$.15 per capita. With the new staff and office obtained in mid-1971 the membership levy has been increased to \$.25 per capita to cover the expense of the Commission as an operating agency.

### Current Programs

Now fully staffed, the Nashua Regional Planning Commission is approximately half way through its first year's program which includes the following activities:

1. An assessment of the future growth potential of the region. (Completed)
2. Analysis of regional housing problems.
3. Preparation of a regional land use plan.
4. Preparation of a regional sewer plan.
5. Preparation of a regional solid waste management plan.
6. Advisory assistance to local planning boards.
7. Coordination of federal grant-in-aid expenditures in the region.
8. Review of federal construction projects in the region.
9. Several projects of sub-regional significance.

The above activities are expected to yield the following benefits:

1. An intelligently planned response to future growth pressures.
2. Determination of the least expensive and most efficient way for towns or groups of towns to provide community services.

3. Qualifying towns for federal aid programs that require regional plans.

4. Increasing the effectiveness of local boards and commission by providing better information for their use.

5. Providing a forum for towns to communicate their problems to one another.

#### Organization

The Commission is composed of members appointed by local selectmen or mayor of member communities. Towns having less than 10,000 population are entitled to two members while towns over 10,000 are entitled to three and cities over 25,000 are entitled to four members. In addition to the Commission's monthly meetings, the members are assigned to the following committees which also meet monthly:

- 1) Land Use Planning Committee
- 2) Housing Study Committee
- 3) Solid Waste Planning Committee — East of the Merrimack River
- 4) Solid Waste Planning Committee — West of the Merrimack River
- 5) Sewer Planning Committee
- 6) Transportation Planning Committee

Other committees are established from time to time to study specific problems as they arise. In most cases committee memberships are supplemented by citizen members from towns most apt to be concerned with the particular committee's activity.

#### Further Information

Additional information on the Nashua Regional Planning Commission, its programs and responsibilities may be obtained by writing or telephoning:

Rosemary Kennet, Chairman, 453 Main Street, Nashua, New Hampshire 03060 or Max A. Wolfe, Executive Director, Nashua Regional Planning Commission, 92 Main Street, Nashua, New Hampshire 03060 — Telephone 603 883-0366.

## ANNUAL TOWN MEETING

March 9, 1971

The meeting was opened by Moderator Warren Towne at 9:00 A.M. for voting under Article 1, to choose all necessary Town Officers for the year ensuing. Voting continued until 7:05 P.M. when the polls were closed.

The business meeting was called to order in Walters Auditorium by Moderator Towne at 8:05 P.M. Prayer was offered by Rev. Stanley Rockafellow.

ARTICLE 2 — Selectman Richard Walker explained the budget item by item. Increase in the Town Officers salaries is to bring them in line with towns of similar size. The salary for the chairman is to be \$950.00, the other two \$900.00, the Tax Collector \$1,500.00, the Treasurer \$400.00 and the Town Clerk \$400.00. Increase in the Police budget is to pay for a second full time officer, and an increase in the salary of the Communications Officer which is also reflected in the Fire Department budget. In the budget for new equipment is \$8,000.00 for a truck for the Highway Department if the Selectmen find it necessary to purchase one. Also in the budget is \$22,000.00 for a new grader. Motion by David Seager to increase this amount by \$2,900.00 so the selectmen could purchase an Austin Western Grader, if desired. Seconded. Not carried. Action on this article was passed until the rest of the articles in the Warrant were acted on.

ARTICLE 3 — The reports of Town Officers and Committees were accepted as printed in the Town Report.

ARTICLE 4 — Motion by Elwin Hardy to authorize the Selectmen to borrow money in anticipation of taxes. Seconded. Carried.

ARTICLE 5 — Motion by Fred Gemmill to accept State Aid for the construction of Class V roads and appropriate the sum of \$1,464.84 to pay the Town's share. Seconded. Carried.

ARTICLE 6 — Motion by Erving Simonds to authorize the Selectmen to mail blank inventories. Seconded. Carried.

ARTICLE 7 — Motion by Roland Schellenberg to asses a fine of \$.25 on each poll tax not paid on December 1, 1971. Seconded. Amendment by Evelyn Rice to make the fine \$.20. Carried as amended.

ARTICLE 8 — Motion by Jack Boyd to allow withdrawal of all funds from the grader capital reserve fund. Seconded. Carried.

ARTICLE 9 — Motion by Fred Gemmill to authorize the Selectmen to expend the funds from the grader capital reserve fund towards the purchase of a grader. Seconded. Carried.

ARTICLE 10 — Motion by Elwin Hardy to raise and appropriate the sum of \$4,000.00 to be placed in the capital reserve funds to be used towards the purchase of a fire truck, Seconded. Carried.

ARTICLE 11 — Motion by Charles Fenimore to raise and appropriate the sum of \$500.00 to be placed in the capital reserve funds of the Town Shed. Seconded. Carried.

ARTICLE 12 — Motion by David Seager to raise and appropriate the sum of \$1,000.00 to be placed in the capital reserve funds of the fire house. Seconded. Carried.

ARTICLE 13 — Motion by Fred LosKamp to raise and appropriate the sum of \$500.00 to be placed in the capital reserve funds to be used to provide more adequate Selectmen's office. Seconded. Carried.

ARTICLE 14 — Motion by Erving Simonds to raise and appropriate the sum of \$2,000.00 to be placed in the capital reserve funds to be used towards the purchase of a police cruiser. Seconded. Carried.

ARTICLE 15 — Motion by David Seager to authorize the Tax Collector to accept prepayments of taxes in amounts not less than \$10.00 or any amount divisible by \$10.00. Seconded. Amended by Fred LosKamp to accept prepayments in amounts of multiples of \$10.00. Carried as amended.

ARTICLE 16 — Motion by Roy Wilkins to raise and appropriate the sum of \$25.00 to be expended in cooperation with the N.H. Forestry and Recreation Commission for forest fire roads. Seconded. Carried.

ARTICLE 17 — Motion by William Davis to change the present method of filling the position of Town Road Agent, viz; By election at the Annual Town Meeting by providing that he shall be appointed by the Board of Selectmen. Seconded. Amended by Erving Simonds to make that appointment on an annual basis. Amendment not carried. The original motion carried.

ARTICLE 18 — Motion by Edward McDuffee to raise and appropriate the sum of \$1,500.00 to be given to the Merrimack Valley Home Health Care Association, Inc. Seconded. Carried.

ARTICLE 19 — Motion by David Munroe to raise and appropriate the sum of \$500.00 to be given to the Community Council of Nashua. Seconded. Carried.

ARTICLE 20 — Motion by David Jeynes to authorize the Selectmen to apply for and spend whatever Federal Funds may be available for the acquisition of available land for public outdoor conservation purposes. Seconded. Carried.

ARTICLE 21 — Motion by Edward McDuffee to table this article which would have allowed the Hollis Historical Society to rent the upper Town Hall for its exclusive use on an annual basis. Seconded. Carried.

ARTICLE 22. — Motion by David Seager to discontinue the old section of Howe Lane as a town road from Public Service Company, Pole number 250 westerly approximately 1150 to new construction, and return the land to the former owners. Seconded. Amendment by Norman Howe to discontinue the old section of Howe Lane as a town road from the east end of the new construction to the west end of the new construction, and return the land to the former owners. Carried as amended.

ARTICLE 2 — Motion by Richard Walker to accept the budget as printed plus whatever sum is appropriated at the adjourned School Meeting. Seconded. Carried.

The results of balloting for Town Officers was announced.

The meeting was adjourned at 11:00 P.M.

A true copy of record — attest.

Bertha E. Duncan, Town Clerk

## HIGHWAY REPORT OF 1971

Large amounts of snow at one time seems to be the lessor of our problems of late. Our troubles have increased due to the very dangerous icy conditions. With our school busses using a portion of most of our 60 miles plus of town roads, it is impossible to cover all routes before school time with one spreader truck. Manpower is not available to hand shovel and extra equipment is not available until the State has finished their coverage. The town should own another spreader.

The first application of gravel was applied to Jewett Lane in March to prevent a muddy situation for the spring traffic. The usual amount of grading and graveling was done; some of the weaker culverts were replaced. A very narrow spot on South Merrimac Road was widened and brush and trees were cut on North Pepperell Road and Brown Lane with some 1500 cubic yards of gravel.

The retaining wall at Goodwin's water hole (after much shopping around, Price-wise) was completed at a very substantial saving over the high bid. Many thanks to one of our new residents; Mr. William Hall of Pepperell Road, who did the excavation without charge. Thanks, Bill.

Jewett Lane was paved after the grubbing was completed. Some 7000 cubic yards of gravel and fill was hauled in. Sealing of the surface will be done this summer.

The new grader is again proving to be a very satisfactory piece of equipment for year-round work and along with the loader and necessary personnel, much work could be done.

I am requesting the town to raise the summer road's appropriation by \$10,000., for the hiring of one more full time man and money for extra projects such as widening of narrow bridges and curves of which there are quite a number that will not come in under T.R.A. (Town Road Aid) for some time.

I am also requesting the purchase of a spreader body. Both are very essential for the proper maintenance of our roads and the safeguarding of the school busses and traffic in general.

Charles F. Dow  
Road Agent

## HOLLIS HISTORIC DISTRICT COMMISSION

The Hollis Historic District Commission was created by a vote of the Town in May of 1971. Five members were appointed by the Board of Selectmen, one being a member of said board, and one a member of the planning board.

The Commission held its first meeting on September eighth and elected the following officers: Chairman, Philip Mercer; Vice-Chairman, Jack Boyd; Secretary, Dorothy Hackett. A letter was sent to all residents of the District welcoming their suggestions and explaining the duties of the Commission. Two more organizational meetings were held in October.

The Commission has approved two building permits so far, after inspecting the sites and going over the specifications.

Philip Mercer  
Jack Boyd  
Dorothy Hackett  
Christine Trow  
Ralph Hardy

## REPORT OF THE BUILDING INSPECTOR

Building permits issued during the year 1971 are as follows:

- 45 Single Family Residences
- 27 Additions to Residences
  - 2 Farm Buildings
  - 4 Garages
  - 4 Barns
- 10 Storage Buildings
- 2 Swimming Pools
- 1 Car Port
- 1 Seasonal Residence
- 2 Additions to Barns
- 22 Sewage Permits

The large percentage increase in permits issued for residential housing relative to numbers issued, during the last few years, was brought about by the operations of several builders taking advantage of available building sites in Hollis. This is a recent development of the residential construction business in Hollis and the continuation of it will depend on the ability of the builders to sell the houses profitably, something that cannot be determined at this time.

Beginning July 1st, 1971, all new sewage systems have had to be approved by the State Water Supply and Pollution Control Commission, thereby, making it unnecessary to issue permits locally except in the case of repairs to systems presently in use.

Clarence L. Howe  
Building Inspector

## **REPORT OF THE DOG OFFICER**

The dog population has increased this year, it seems.

There were 308 dogs that required attention; 21 were disposed of at owner's request; 42 were hit by motor vehicles; 28 cases of dogs biting adults and children; some had to be destroyed after a waiting period. Answered 406 telephone calls — there were 254 complaints.

There are 12 restraining orders outstanding and I would like to remind the owners that the law will be enforced if the dogs are found elsewhere.

Ernest G. Pratt  
Dog Officer

## **SEXTON'S REPORT**

There seems to be no end to the cutting of grass in the parks and playgrounds as well as the cemeteries.

There were some labor problems but will continue to do the best we can.

Ernest G. Pratt  
Sexton

## HOLLIS BOARD OF ADJUSTMENT

The following cases were acted upon during 1971:

Request	By	Disposition
1. Repair service on Route 111	Fred Loskamp	Approved

## REPORT OF THE HOLLIS BOARD OF SELECTMEN

The Hollis Board of Selectmen report that 1971 was an excellent year for the town. Much forward progress has taken place. The comprehensive plan is in operation. The recommended changes in zoning laws were voted at a Special Town Meeting. These included the adoption of an Historic District, cluster zoning and multiple unit dwelling within specified areas with site plan review and the concept of green belt areas.

The first entire year of a regular police department with two full time officers on duty has brought better law enforcement to the town during a period of greater stress to law and order. Much new equipment has been received with federal funds used to purchase same. An increasing effort is being made to have the youth understand and participate in law enforcement. The hope is that the growth of the town will go hand in hand with better municipal services.

The fire department has a new chief, Richard Navaroli, as Warren Towne retired after a lifetime of service to the community.

The highway department, under the able Charles Dow, acquired a new road grader and highway broom. This year, TRA was done on Rideout Road, and Hayden Road. Laurel Hill was added to the road system and the problem of help continues to plague us.

Certainly the biggest challenge is to support properly the ever expanding school population so that the next generation will have the tools it will need to work with. We know the burden of the taxpayer from personal experience. We submit that there is no easy way to meet the needs of our children — we can not shirk our responsibilities either. Complete citizen participation in the process plus good zoning and planning will continue to keep Hollis the leader in fine towns to live in.

Ralph Hardy  
Frank Whittemore  
Richard Walker  
Board of Selectmen

## THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School district in the town of Hollis qualified to vote in district affairs:

You are hereby notified to meet at the Walters Auditorium in said district on the sixth day of March 1972, at eight o'clock in the afternoon, to act upon the following subjects:

1. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any officers or agents of the district.

2. To hear the reports of Agents, Auditors, Committees or Officers chosen, and pass any vote relating thereto.

3. To choose Agents and Committees in relation to any subject embraced in this warrant.

4. To see if the district will vote to authorize the School Board to make application for and accept on behalf of the school district any or all grants or other funds for educational purposes which may now or hereafter be forthcoming from the United States Government or from the State of New Hampshire or from any other source.

5. To see what sum of money the district will vote to raise and appropriate for the support of schools, for the payment of salaries for school district officials and agents, and for the payment of the statutory obligations of the district.

6. To see if there is any other business to come before said meeting.

Given under our hands at said Hollis this 3rd day of February 1972.

## SYNOPSIS OF SCHOOL MEETING

March 8, 1971

The annual meeting of the Hollis School District was held with approximately 600 people in attendance. Moderator Warren Towne called the meeting to order with the reading of the warrant. Prayer of invocation was given by Reverend Mitchell.

Article 1: Voted to pass over this article and act on it with Article 7.

Article 2: Voted to accept all reports as printed in the School Report.

Article 3: Voted that this article be passed over without action.

Article 4: Voted to authorize the School Board to make application for and accept on behalf of the school district any or all grants or other funds for educational purposes which may now or hereafter be forthcoming from the United State Government or from the State of New Hampshire or from any other source.

Article 5: Motion defeated by ballot vote — 298 yes, 234 no (355 needed for 2/3 vote)—to raise and appropriate the sum of \$684,000 to construct and originally equip and furnish an addition to the Elementary School.

Article 6: Motion defeated by ballot vote — 119 yes, 347 no — to raise and appropriate the sum of \$21,410 to support a public kindergarten for Hollis, beginning September 1971.

A vote of thanks was given to the Study Committee and School Board for their work on the building program.

The motion to adopt the articles was declared by the moderator to have been adopted in the affirmative. On a motion by Mrs. Colson, duly seconded, the meeting was recessed at 12:15 a.m. until March 22, 1971 at 8:00 p.m. at the Walters Auditorium to consider the budget and new figures and/or plans that would be more acceptable on the building.

A true record attest:

W. Boyd Weston  
Clerk of Hollis School District

## ADMINISTRATIVE SCHOOL REPORT

To the Citizens of Hollis:

For one to ask what is new in education today is to expose himself to a deluge of responses. Far removed from an era when the employment of a new teacher was a singular event in a community, the matter of providing educational opportunities for the youth of a community is now of such magnitude it is a topic of daily concern for all citizens. Although fully cognizant of the importance of education, the man on the street cannot but wonder about which avenue to take in the direction of providing optimum educational opportunities at a cost which a community can underwrite. Such expressions as the extended school year, performance contracting and open campus, to name a few, are based on the premise of "getting more for our money", either from the standpoint of greater utilization of our schools or a modification of teaching techniques for the purpose of expediting learning. Midst claims and counter-claims, there is little wonder that people oft times are confused as to which course to pursue. While each may have its place, no one thing can be regarded as a panacea; that which has worked well in one district may end in disaster if applied in another. The point to be emphasized here is that innovations must be studied in relation to many factors.

Hollis schools have consistently moved forward, not infrequently integrating successful practices with innovations to the end of improving learning conditions. Administrators and teachers alike are aware that to stand still is to retrogress. However, all staff members are mindful that change for the sake of change is not the criterion of positive educational outcomes.

## HOLLIS ELEMENTARY SCHOOL

The year 1971 has been a most gratifying year at the Elementary School. It has seen many changes as well as the continuation of its high standards of education.

Incoming first graders were tested individually with a Gesell Readiness test. This was made possible by the generous donation of time by Mrs. Ruth Kinsley, Mrs. Martha Philbrick and Mrs. Katherine Baker. The results were interpreted by the testers and the New Hampshire School Readiness Project. It was obvious by the test results that a Readiness Room was necessary.

The Readiness Room is for youngsters who are intellectually "ready" for first grade work but need time to develop socially, emotionally and physically. When educating the child we are concerned with the "whole child" and not just his intellect. Mrs. Cropley, our Readiness Teacher, has been very successful in meeting the needs of these youngsters.

All teachers have been working to meet the needs of individual students. This has been done with tape recorders and record players attached to a listening station, with reading kits, activity centers, and teacher made individualized reading programs.

The four teacher aids provide help for teachers in the overcrowded area of grades one, five and six. The aides also share outside duties and help other teachers with special projects.

Mrs. Joan Frye is working half a day, five days a week as a Learning Disabilities Teacher. These are youngsters who need Special help in reading because of perceptual problems. The State Library's Association for the Blind makes talking books and record players available to these youngsters to meet their educational needs.

The Social Studies curriculum was more actively oriented in grades five and six. These classes had several meals typical of various countries. Many of the youngsters wore clothing typical of these countries. The classes recreated an African Village and an Indian Village in the school yard. This approach has generated real interest in the Social Studies.

The Annual Hollis Clean-up Day was a real learning situation for the youngsters in our Civics Club. Jeff Smith and Kurt Olson were most helpful in providing guidance in the organization and follow through needed by the youngsters.

Our sixth graders attended Camp Grotonwood Conservation School for a week of education in Nature's Classroom. The youngsters spent a full week at Grotonwood attending classes in conservation, making use of math, spelling and communicating skills learned in the school classroom. There is a great deal of social growth, as well as educational growth, during this week as for many it's the first time away from home.

This year our teachers have been active in Curriculum revision and writing new guides. A health guide was developed for the entire union. The Hollis representatives were Mrs. Cheryl Paradis, Mrs. Glenice Sundstrom and Mrs. Inez Morrison. A Math Guide was developed for grades five thru eight by Miss Carole Aliskevicz and Mrs. Barbara Wilkins.

Mrs. Betty Hall, our reading consultant, gave a Reading Course in Milford and was attended by nine of our teachers in an effort to make them aware of materials available and to improve reading instruction.

Mrs. Linda Pettersen is our new art teacher and is doing an excellent job in extending art to all areas of the curriculum. Her displays of student art work have made the school much more inviting. An Art Club has been formed for youngsters of grades three thru six. They meet after school and one of their projects was decorating for the Christmas Concert.

We had several displays of famous Artists' work thru the courtesy of the Nashua Library and a traveling Art Show.

The interest in music has continued its growth under the direction of Wilbur Bigelow as evidenced by the number of band members (65) and the number of Glee Club members (55). He also teaches instrumental music in addition to the regular classroom music.

Miss Eleanor Harriger our new physical education teacher is in the process of developing an excellent physical education program for the elementary school and is a most welcome addition to our staff.

The entire staff has worked extremely hard to make school meaningful, enjoyable and a pleasant experience for each individual youngster. We wish to thank the many citizens who have helped in the Junior Great Books Program, in individual classrooms, in the library and cafeteria. It is only when the school and community work together that we can achieve the best education for the youngsters.

## HOLLIS AREA JUNIOR – SENIOR HIGH SCHOOL

The year 1971 marked the culmination of the program to gradually assimilate Brookline students into the Hollis Area Junior–Senior High School. We presently have Brookline students enrolled in all grades 7 – 12. The enrollment on December 31, 1971, was 535 students with 153 students coming from Brookline.

We continue to be faced with the problem of limited space in our school and a rapidly rising student population. We expect over 575 students to enroll in the school in September of 1972. We feel that the best solution to our problem is the establishment of a "Middle School" to remove grades 7 & 8 from this building. This would allow us sufficient space in our building and would also make a better educational & social environment for our younger students.

During the spring of 1971 a curriculum evaluation was done at the high school by a team of consultants from the State Department of Education. State Department experts from the following fields participated in the study: English, Social Studies, Math, Science, Foreign Language, Music and Art. We received excellent reports from this group on our school and a special letter of commendation from the English consultant was sent to our Humanities Department. A number of suggestions were made to us including increased inter-departmental communication, a wider range of offerings for "general" students and investigation of various methods of scheduling. These suggestions are serving as a basis for continued study by our staff during the school year.

In the summer of 1971 two teachers from our Math department and two teachers from our Science department worked at the school on curriculum planning and revisions. A coordination of the elementary and junior high math programs was the task at hand for the Math department and the Science teachers updated our Physics and Physical Science program and worked on the introduction of courses in Ecology and Medical Biology.

In September the following new teachers joined our staff; Mrs. Elpinike Karavasilis, foreign language; Mrs. Susan Testa, Math; Mrs. Mary Lou Jackson, Math; Miss Mary McCarthy, Math; Mr. Donald Skib, Science; Mr. Gerald Wilkins, Industrial Arts; Mr. John Vanderhoof, Industrial Arts; Mr. Garrison Martel, Industrial Arts; Mr. James Johnston, Music and Miss Eleanor Harriger, Physical Education. Also Mr. Kurt Olson from the Beaver Brook Association is on loan to the school for two periods a day to teach courses in Surveying and Conservation.

The following new courses were added to our curriculum in September, Poetry, Psychology II, Spanish III, Modern Analysis (Math), Physical Science, Medical Biology, Ecology, Music Appreciation, Surveying and Conservation. In addition our Remedial and Developmental Reading program was extended to encompass all students in grades seven and eight who are not taking a foreign language. Mrs. Marty Philbrick was hired on a part time basis to work with seventh grade students in remedial programs in Math, Science and English.

Our Building Trades program was extended to cover two periods daily and afford the student two full credits. This year the students are finishing the inside work on the building constructed last year for the Beaver Brook Association. The enrollment in our Senior Review English and Senior Review Math courses continues to grow as more students avail themselves of the opportunity to take these courses in preparation for College Entrance Exams.

A new program instituted this year has been the concept of "after-school" courses. These courses are designed for students who cannot fit certain subjects into their regular daily schedule. At the present time we have students taking courses in computer math, personal typing, woodworking, welding and instrumental music lessons. We hope to expand soon into the areas of art and home economics.

The class of 1971 graduated from Hollis High School on Thursday evening June 17. This marked the first outdoor graduation exercises in recent history. The ceremonies took place on the lawn in front of the "old building" and many people expressed the opinion that it was one of the most impressive graduations in memory. We are indeed grateful to many people for making the occasion possible, especially Mr. Herbert Higginbotham for providing the sound system. The valedictorian for the class was Miss Linda Forrester and the salutatorian was Miss Carla Moody. Diplomas were presented by Mrs. Dorothy Colson, Chairman of the School Board, and the graduation address was given by Mrs. Sandra Highnam of the high school faculty.

The 56 members of the class of 1971 made it the largest graduating class in history. Seventy percent of the graduates went on to some form of post high school education, a remarkable figure. Below is a list of graduates and a list of students who received awards for their work in school in 1971.

## CLASS OF 1971

Michael Brailey	Armed Forces
Paul Brown	Employed
Linda Calkin	Graham Jr. College
Louise Chabot	N.H. Vocational-Technical College
Kenneth Clark	Ithaca College
Suzanne Clarkson	Undecided
Diane Cleary	Memorial Hospital School of Radiologic Tech.
Gail Collins	N.H. Vocational-Technical College
Lorna Crockett	Undecided
Sigrid Dangel	Foreign Student
Ann Marie Desmarais	Granite State School of Hairdressing
Vanessa Dougherty	Culinary Inst. of America
Pamela Edwards	Rivier College
Donna Fenimore	Mt. Wachusett Community College
Robert Fenimore	Employed
Linda Forrester	M.I.T.
Robert Gemmill	University of Connecticut
Scott Goulder	St. Lawrence University
Patricia Goy	Undecided
Richard Haigh	Employed
Barbara Hatfield	Graham Jr. College
Ernest Hatfield	Employed
Kathy Hayden	Concord Hospital School of Nursing
Heather Higginbotham	Mass. General Hospital School of Nursing
David Ketchen	Thompson School – UNH
Drew Kronk	Assumption College
Joey Laverne	Boston College
Linda Lorden	Undecided
Stephen Luce	Employed
Richard Lutz	U.N.H.
Deborah Lysik	Mt. St. Joseph's College
Steven Marcum	Employed
Richard McFarland	N.H. Vocational-Technical College
Carla Moody	Connecticut College
Clifford Moody	Graham Jr. College
Eugene Moody	Bryant-McIntosh Jr. College
Joanne Moody	Mt. St. Joseph's College
Suzanne Nye	Murray State University
Annamarie Pennucci	U.N.H.
Richard Pitman	Thompson School – UNH

David Quick	Armed Forces
Barry Reed	N.H. Voc. Tech. School, Manchester
John Renaud	Employed
Kirk Sipe	New England Conservatory of Music
Thomas Sommer	N.H. Vocational-Technical College
Janice Spaulding	Husson College
Cynthia Spence	U.N.H.
Rumi Spence	Undecided
John Sullivan	Bryant College
James Taylor	Merrimack Valley Branch – UNH
Kathryn Walsh	U.N.H.
Karen Walter	Pacific University
Graham Watson	Thompson School – UNH
Raymond Wesoly	Armed Forces
Wendee Wright	Graham Jr. College

#### AWARDS OF INTEREST

D.A.R. Award –	Linda Forrester
I Dare You Award –	Wendee Wright
	Richard Lutz
Hollis Athletic Association Award –	Cindy Spence
	Stephen Luce
Bausch & Lomb Science Award –	Linda Forrester
Yearbook Award –	Richard Lutz
Betty Crocker Award –	Annamarie Pennucci
Sterling Silver Award –	Vanessa Dougherty
Crisco Homemaker Award –	Sharon Wright
National Merit Scholarship –	Linda Forrester
Senior Class Scholarship –	Barbara Hatfield
Hollis Woman's Club Scholarship –	Katrin Johnson
	Joey Laverne
John H. Hills Memorial Scholarship –	James Taylor
Industrial Arts Club Scholarship –	David Ketchen
Hollis Education Assoc. Scholarship –	Joanne Moody
Citizen Scholarship Foundation –	Katrin Johnson
	Joanne Moody
	Kirk Sipe
	Cynthia Spence
	John Sullivan

# ANNUAL AWARDS FOR EXCELLENCE:

French	Carla Moody Anne Dyer John Moody Susie Morrill Diana Saunders
Business	Janice Spaulding Jama Nye Marcia deSteuben Pamela Shattuck Carol Ward Debbie Lysik Annalee Rood Wendi Herne Sue Sullivan Ginger Dixon Lynda Moody
Music	Annamarie Pennucci Robin Colson
Math	Sigrid Dangel Dan Wadleigh Robert Stiles
Art	Diane Cleary Barbara Pennucci
Chemistry	Carla Moody
Industrial Arts	Barry Reed Gary Jensen
Dramatics	Annamarie Pennucci
History	Carla Moody
English	Scott Goulder
Mechanical Drawing	Larry Anderson
Earth Science	Mark Searles
Biology	Barbara Vickers
Physics	Andrew Quick
Science	Mary Hall
Spanish	Ted Russell
Band	Dick Lutz
Chorus	Ken Clark
Clothing & Textiles	Lynn Barrett
Foods	Sandra Rhoades

Physical Education	Martha Parkhurst
	John Goulding
Language Arts	Mimi Goodwin
Government	Andrew Quick
Social Studies	Tim Ballard
Humanities	Holly Morrison
	Grant Fountain
	Susie Morrill
	Jonathan March
	Richard Wadleigh

### CONCLUSION

Looking ahead, many changes loom on the horizon. While citizens will always be concerned in some measure with the quality of education being offered in the community, that which will not fail to attract attention will be the matter of financing the public schools. With a recent reduction in state aid to education, it is interesting to note that court decisions in several states have given expression to the concept that the state assume complete fiscal responsibility to assure an equality of educational opportunity. Thus, the children of a community poor in taxable property would have some guarantee of receiving an education equivalent to that of their counterparts who, through some accident, live in a wealthier district. Obviously, even such a solution would not be without problems in its implementation, but it would appear that ultimately a greater issue will arise, that in the form of a challenge to the federal government. While there may be some legal obstacles, the logic of providing equality of educational opportunity within states cannot but assume some form on the national level. The time could be at hand when citizens, who have always cherished local control, may have to face squarely the issue of who will determine the grassroots structure of education in America.

Roland L. Schoepf, Superintendent of Schools  
 Marion J. Jacques, Teacher Consultant  
 Gordon W. Bean, Principal, Elementary School  
 Peter R. Finn, Principal, AREA School

## SCHOOL BOARD REPORT 1971

As the March District School Meeting approaches the Chairman is asked to report on the accomplishments in the Hollis Schools for the year. This has been more than a normal year bringing many frustrations as well as accomplishments. I would like to say that your team of five school board members are working together to do all that they can in support of you, the taxpayers, the children of Hollis and our town itself.

This year we have tried to turn our spare moments toward curriculum evaluation. The state was called in to make a study and we have tried to begin to follow their recommendations. Our teachers began a two year change over in salary plan. We feel that this will provide mutual security to our staff and the tax payers. We have been able to add experienced teachers to our staff because of the change in the teacher market. Our AREA arrangements with Brookline will continue to help us in our ability to provide a good educational climate for our children and Brookline by keeping our per pupil costs in line with state costs.

A great deal of our time has been spent in dealing with buildings and space. As this increases we will eventually have to ask for paid help in this area. The well was completed in back of the school. We paid half of this bill. The state paid the other half and put the well in. The water tests pure and we seem to have an adequate supply. We look forward to a spring without salt water.

We have weathered other frustrations that have been out of our control. The state's cut of 2/3 of our revenue, the unanswered questions of the wage freeze, and the lack of staff available to us at the Supervisory Union level.

As I write this Jeff Smith and Howard Parkhurst are clearing the land at the new site of the Middle School. We feel that you, the taxpayers should not regret your decision to go ahead in this direction. We hope to see our 5, 6, 7, and 8 graders there in the fall and this will be another milestone in the structured growth of this community that we are all proud of.

Dorothy F. Colson, Chairman  
Hollis School Board

## SYNOPSIS OF RECESSED SCHOOL MEETING

March 22, 1971

The recessed annual meeting of the Hollis School District was held at 8:00 p.m. at Walters Auditorium on Monday, March 22, 1971 with approximately 500 people in attendance. Prayer of invocation was given by Reverend Rockafellow.

It was voted to rescind any motion taken on Article 5. Motion was defeated to take up Article 7 at this time.

Article 5: An amended motion was defeated to appropriate the sum of \$28,000 to engage the services of an architectural firm to design and solicit bids for a possible future addition to the Hollis Elementary School.

The first ballot on the original motion, to raise and appropriate the sum of \$650,000, was declared illegal because of discrepancy between votes and checklist.

Motion defeated on second ballot, 200 no, 285 yes (324 needed for 2/3 vote) to raise and appropriate the sum of \$650,000 to construct and originally equip and furnish an addition to the Elementary School.

Article 7: Voted to increase the No. 900 account for replacing kitchen equipment by \$4,000.

Motion to increase budget by \$60,000 for improvement of industrial arts facilities and equipment and other school uses by the School Board was declared illegal by the Moderator.

Motion defeated to cut budget by \$50,000 in area of teacher salaries and new teachers.

Voted to raise and appropriate the sum of \$855,410.24 for the support of schools, for the payment of salaries for school district officials and agents and for the payment of the statutory obligations of the district.

The motion to adopt the articles was declared by the moderator to have been adopted in the affirmative. On a motion by Mrs. Colson, duly seconded, the meeting adjourned at 11:50 p.m.

A true record attest:

W. Boyd Weston  
Clerk of the Hollis School District
